

I am going to visit Santa soon. Visiting Santa can be fun.

	Santa likes to wear a red suit.
	Santa has little helpers called elves. When I arrive, I will be greeted by an elf.
	Other children want to see Santa too, I might need to wait in line. I will need to wait with my family.
	I will try and wait nicely in line while the other children have a turn to visit Santa.
	When it is my turn to visit Santa, I will walk into the grotto with my family.
	The grotto might be dark and decorated with Christmas lights.
	I can stand next to Santa. Santa will talk to me
	Santa might ask what I want for Christmas. I can tell him a toy, book or game I want.

	<p>Santa might give me a small present which will be wrapped up in wrapping paper. I will not be able to see what is inside.</p>
	<p>I can stand next to Santa and smile for a photo. This will help me remember my visit when I am back at home.</p>
	<p>I will try to stay with Santa, look at the camera and smile.</p>
	<p>My family can buy the photo, in a Christmas product or frame, at the end of the visit.</p>
	<p>My family will feel happy to have a nice photo of me with Santa. I can keep the photo as a special memory.</p>
	<p>After we take the picture I can tell Santa, "Thank you" then another child can have a turn to visit Santa.</p>

During my visit, I can let mum or dad know how I am feeling:

I can say

I feel HAPPY - I would like to stay

I feel OK - but would like to find a quiet space

I feel SAD or ANXIOUS - I would like to leave
